

Aviary

www.aviary.com

Edit images and audio online

what is it?

According to its website, Aviary is “a suite of powerful creative applications that you can use right in your web browser”. From image editing, to applying various effects, to even editing audio, Aviary is a great imaging and audio editing suite of applications.

educational use?

Aviary is so versatile that faculty, students and staff can utilize this as a teaching, learning and resource tool. Whether you want to create a quick banner for your online course or create a simple audio announcement, Aviary is the tool for you.

pros & cons?

Aviary offers similar functionalities as other imaging and audio editing software, but for free! One possible drawback of Aviary is that it is a web-based application and therefore you must have access to the Internet to use it.

what's it cost?

Aviary offers a free and a premium plan. The Premium Pro Plan costs \$24.99 per year.

alternatives?

Picnik (<http://www.picnik.com/>) is a notable competitor of Aviary, however, Picnik cannot edit audio or create vector-based images.
